DATELINE - ATLANTA, August 2, 2011 – Stonehurst Place today announced its publication in *Great Inns, Bed & Breakfasts, and Guesthouses*, a 220-page book featuring 50 exceptional properties across the United States — each with its own unique setting and history. From mountain retreats to island hideaways to desert dwellings, this book showcases a splendid array of remarkable buildings and inviting interiors for travelers and design enthusiasts to explore. Beautifully presented by editors Damir Sinovic and Molly Teter Webb, the book is scheduled for September 2011 release and is available for pre-order purchase at www.GreatInnBook.com or through 'Stonehurst Place Recommends' on Amazon.com.

Stonehurst Place is Atlanta's first eco-friendly luxury bed and breakfast inn and features deluxe rooms and suites with gourmet breakfast served to guests each morning. In addition to a large collection of books coveted by guests for their interesting and varied subject matter, the inn juxtaposes museum-quality art with family photos of the original owners and their family.

"Stonehurst Place is truly a unique bed and breakfast inn," said interior designer and owner Barb Shadomy. "The combination of historic elements of the home with up to date luxury baths and contemporary furniture is unique in a sea of Victorian bric a brac accommodation."

Stonehurst Place is one of only two Georgia inns featured in the publication.

"This was not your typical B&B," commented a guest in a recent online review. "Great attention is paid to the details of the property and the stylings are a nice balance between modern luxury and classic."

About Stonehurst Place

Built in 1896, award-winning Stonehurst Place is Atlanta's only eco-friendly, luxury Bed & Breakfast Inn. Because it belonged to the same family for over 100 years, this bed and breakfast retains much of its original layout, features and hardware. Guests are treated to the unique combination of restored features of the home and modern luxuries such as heated Carrara marble floors, deluxe two-person spa tubs, and Corian®-clad walk in showers. Owner and interior designer Barb Shadomy's environmentally friendly work restored and renovated Stonehurst beyond its original grandeur, incorporating solar panels and other green features into this eco-friendly Atlanta bed & breakfast inn.
