

## **STONEHURST PLACE PARTNERS WITH STASH HOTEL REWARDS**

Now Part of the Largest Point-Based Program for Independent Hotels in the U.S.

DATELINE - ATLANTA, OCTOBER 26, 2010 – Stonehurst Place today announced its partnership with Stash Hotel Rewards, an innovative hotel rewards program that enables travelers to quickly earn free nights at distinctive, independent hotels without blackouts or inflexible category restrictions. Guests of Stonehurst Place can now earn points toward free nights each time they stay at any of the 86 distinctive hotels in more than 63 cities that participate in Stash.

Stonehurst Place is Atlanta’s first EarthCraft certified bed and breakfast inn and features three suites and two deluxe rooms with gourmet breakfast served to guests each morning. On display at the inn are original art works by Andy Warhol, Dale Chihuly, and Jim Dine as well as vintage pieces from Hermes, Verner Panton and an original 1960s Charles and Ray Eames lounge chair and ottoman.

“We’re unique, our guests are unique, and Stash is unique,” said interior designer and owner Barb Shadomy. “Our large numbers of repeat guests, from both the business and leisure travel sectors, will reap these rewards at some truly amazing properties. This is a terrific opportunity for us to give back to our loyal patrons.”

Guests can easily sign up for a free account at the Stash website [www.stashrewards.com](http://www.stashrewards.com). Points can be earned immediately and never expire. Redemption is simple and free from inflexible restrictions. Additionally, Stash members have access to exclusive travel deals; for example, point bonuses matched to a member’s travel history, or weekend get-away offers customized to a member’s home city.

## About Stash Hotel Rewards

Stash Hotel Rewards frees travelers from the uninspired offerings of existing hotel reward programs by making it as easy to earn free nights at an amazing hotel as it is a so-so one. Launched in May, members earn 5 points per dollar spent on their hotel room, resulting in a free night in a little as 5 typical stays. And Stash points can be redeemed without blackout dates, point expirations or annoying category restrictions found in many chain programs. The distinctive hotels that offer Stash include some of the best spas in Napa, world-class resorts in Florida, and boutique gems in New York, Seattle and Los Angeles. Many Stash partner hotels appear on the "Best Hotels" lists of the leading travel publications and the hotels receive some of the highest recommend ratings on top travel sites. Travelers can easily sign up for a free account at the Stash website [www.stashrewards.com](http://www.stashrewards.com).
