

STONEHURST PLACE OFFERS GOVERNMENT TRAVELERS SPECIAL PERK

DATELINE - ATLANTA, MAY 12, 2011 – Stonehurst Place, winner of Citysearch 'Best Atlanta Business Hotel' award, is extending a \$20 American Express gift card to all Government Guests who book directly with the property and stay two or more consecutive nights at per diem from May 15, 2011 to July 31, 2011.

"I'm thrilled to extend this offer, because in my own family we have members who travel on government business and I understand just how tight their purse strings are these days," said owner Barb Shadomy.

Guests who stay at Stonehurst Place on business travel are ensured a comfortable and convenient trip, with well thought out amenities and room layouts. They are treated to conveniences such as tea and coffee making facilities, free local phone calls, both wired and wireless Internet access, iPod docks and the luxury of 1,200 thread count Egyptian cotton linens and plush bathrobes.

"Usually when I go on business trips to Atlanta I book at one of the big hotels like the Omni, Hilton or the Marriott Marquis. This time I decided to book Stonehurst Place, and I did not regret," shared a guest on TripAdvisor.com. "The house is beautiful, and the rooms are very spacious and wonderfully decorated. But above all, the service of the innkeeper is amazing; you are treated like you will never be treated in any 5* hotel anywhere."

Among the many offerings at Stonehurst Place, business travelers will surely appreciate:

Government per diem rates are available Sunday through Thursday, and do not apply to suites.

Stonehurst Place, originally built in 1896, features three suites and two rooms with private baths to choose from and is located in Midtown Atlanta's art and theatre district. It features a wide array of designer interiors and fine art including original works by the likes of Andy Warhol. Guests enjoy luxurious pampering and soothing privacy in a National Register Historic Property fully renovated with eco-friendly enhancements. Among the environmentally friendly efforts are a Schüco USA solar thermal system that heats water used in the inn, and two 1700-gallon cisterns that store harvested rain water used for landscaping. More than \$1 million dollars was spent renovating the property to its current grandeur.
